

Computational Cognitive Science Lab HIT

This research is being conducted by Jordan Suchow, a postdoctoral fellow, and Thomas Griffiths, a faculty member, at the University of California at Berkeley. This study takes 10 minutes to complete.

If you agree to take part in the research, you will complete a study that involves learning the relationship between two things. All of the information we obtain during the research will be kept confidential, and not associated with your name in any way.

Your participation in this research is voluntary. You are free to refuse to take part, and you may stop taking part at any time. You are free to discontinue participation in this study at any time with no penalty.

If you have any questions about this research, do not hesitate to contact Jordan Suchow at suchow@berkeley.edu. If you have any questions about your rights or treatment as a participant in this research project, please contact UC Berkeley's Committee for Protection of Human Subjects at (510) 642-7461 or subjects@berkeley.edu.

By consenting to participate, you acknowledge that you are 18 years or older, have read this consent form, agree to its contents, and agree to take part in this research. If you do not wish to consent, close this page and return the HIT on Mechanical Turk.
